

THE LIGHTNING
new *Collection*

About us

SHAKTI offers a diverse variety of lighting solutions apart from its equally diverse range of home appliances. Advancing with modern requirements, the brand constantly upgrades to newer technologies. These, being low on cost and more efficient, are used for industrial lighting and outdoor and also for specialised lighting requirements. With the power of the most futuristic and smartest lighting solutions, it is so easy to switch to smart.

As always, we will continue to partner our customers at every stage of their lives by offering superior lifestyle solutions with technology that makes their world safer, easier and creative inspiring.
