STREET LIGHT POLE

Welcome to Shakti Poles Pvt. Ltd., a leading manufacturer of street light poles and tubular poles in India since 2003. We specialize in designing and supplying high-quality steel tubular poles that meet the diverse needs of architects, planners, and end-users. Our products are renowned for their durability, aesthetic appeal, and compliance with the latest industrial standards.

Key Features:

- **Galvanized and MS Steel Poles:** All our steel tubular poles are ISI marked, ensuring quality and reliability.
- **Standard Lengths:** Our poles are available as per IS 2713/1980 standards and design specifications ranging from 410-SP-1 to 410-SP-80. Versatile Lengths: Available in lengths from 7 meters to 16 meters to meet various application needs.
- **ISO Standards Compliance:** Our poles comply with the latest ISO standards such as ISO 9001:2015 for quality management systems and ISO 14001:2015 for environmental management systems.

OCTAGONAL POLES

We are the trusted provider of high-quality octagonal (polygonal) poles in India since 2003. With a commitment to excellence and durability, we offer a wide range of custom-designed octagonal poles tailored to meet the diverse needs of our clients. Our poles are manufactured adhering to stringent IS standards, ensuring superior quality and reliability.

Key Features:

- **Customization:** Tailored for outdoor illumination, power distribution, solar applications, surveillance, and smart poles.
- **Compliance:** Conforms to IS standards, ensuring reliability and longevity, withstanding wind speeds up to 300 km/h.
- **Range:** Available in sizes ranging from 3 meters to any size as per customer requirements, offering versatility for diverse applications.
- **Durability:** Built to withstand harsh conditions, ensuring long-lasting performance and minimal maintenance.

CCTV POLES

3

We are the leading CCTV pole manufacturer in India since 2003. With years of experience and a commitment to quality, we provide the best CCTV poles to ensure the security and surveillance needs of our clients are met with excellence. Our products are designed to support a variety of surveillance cameras, ensuring durability, stability, and superior performance.

Key Features:

- **Integrated Lighting:** Enhances visibility and acts as a deterrent to criminal activities.
- **Power Outlets:** Provides convenient power sources for surveillance equipment.
- **Wireless Connectivity:** Facilitates seamless data transmission for efficient surveillance operations.

MODERN DESIGN POLES

The premier destination for high-quality modern design (stylish) poles in India since 2003. With a commitment to excellence and durability, we offer a wide range of custom-designed modern poles tailored to enhance the visual appeal of cafes, restaurants, outdoor spaces, and more. Our poles are crafted to meet the evolving needs of modern architecture and design trends, ensuring both functionality and style.

Key Features:

- **Durability:** Built to withstand outdoor conditions, our poles are crafted from high-quality materials for long-lasting performance.
- **Versatile Lighting Options:** Choose from a range of lighting options, including decorative fixtures, LED lighting, and customizable configurations to suit your specific needs.
- **Enhanced Ambiance:** Create an enhanced ambiance with our modern design (stylish) poles, adding character and style to outdoor settings.

DECORATIVE POLES

Our decorative poles are designed to enhance the aesthetic appeal of public spaces, pathways, gardens, and residential roads. Combining functionality with elegant design, our decorative poles are the perfect addition to any outdoor area.

Key Features:

- **Ornamental Design:** Featuring decorative elements that enhance the visual appeal of public spaces and pathways.
- **High Durability:** Made from premium raw materials, ensuring long-lasting performance.
- **Superb Strength:** Designed to withstand various environmental conditions, providing reliable illumination.
- **Customization Options:** Available in over 50 designs with customization options to suit your unique requirements.

MINI HIGH MAST POLES

Specialise in the manufacturing of mini high mast lighting poles, we cater to extensive outdoor lighting needs with precision and reliability. Our mini high mast poles are designed to provide elevated lighting for large areas, ensuring optimal visibility and safety.

Key Features:

- **Economical Alternative:** Provides a cost-effective solution compared to traditional high mast poles.
- **Durable Construction:** Made from high-quality materials ensuring long-term performance.
- **Versatile Applications:** Suitable for a wide range of smaller outdoor areas.
- **Easy Maintenance:** Designed for ease of maintenance with user-friendly features.
- **Customizable Designs:** Tailored to meet your unique requirements and preferences.

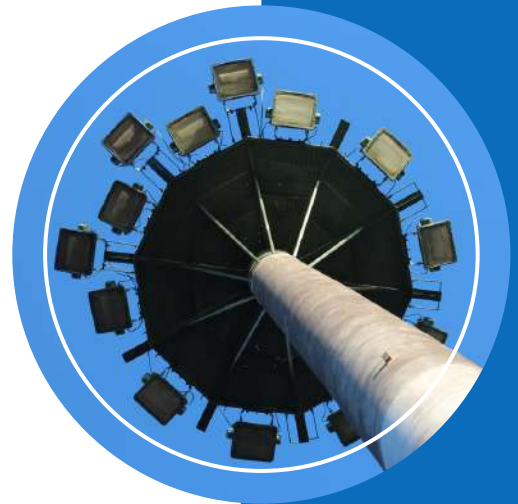

HIGH MAST POLES

We are the premier source for high-quality high mast poles in India since 2003. Specializing in the manufacturing of high mast lighting poles, we cater to extensive outdoor lighting needs with precision and reliability. Our high mast poles are designed to provide elevated lighting for large areas, ensuring optimal visibility and safety.

Key Features:

- **Durability and Stability:** Constructed from high-quality materials, our high mast poles withstand environmental elements and provide long-lasting performance.
- **Optimal Light Distribution:** Engineered to ensure uniform lighting over expansive areas, enhancing visibility and safety.
- **Ease of Maintenance:** Designed with user-friendly features such as the lowering system for lantern carriages, making maintenance simple and efficient.
- **Customization:** Tailored to meet your specific requirements, from height to lighting configuration.

SOLAR POLES

Our solar poles offer an eco-friendly and cost-effective solution for outdoor lighting, harnessing the power of the sun to generate electricity. Designed to meet diverse lighting needs, our solar poles are ideal for various applications and can be customized to suit specific requirements.

Key Features:

- **Eco-Friendly:** Harnesses solar energy, reducing carbon footprint and energy costs.
- **Cost-Effective:** Provides a sustainable lighting solution with minimal operational costs.
- **High Durability:** Our Solar LED comes with a 3-year warranty, ensuring peace of mind and reliable service.
- **Customizable Design:** Tailored solutions to meet unique project requirements.
